Orientation courses, including the first year academic seminar, and wellness courses may not count toward the 120 hours required for the degree. The orientation course is a requirement for all degrees and must be completed or waived to qualify for graduation. Wellness courses are not required, but, if taken, will be included in this section for informational purposes. The U.S. and Georgia History legislative requirements are satisfied through successful completion of HIST 2111 U.S. History to 1877 or HIST 2112 U.S. History since 1877. The U.S. and Georgia Constitution legislative requirements are satisfied through successful completion of POLS 1101 American Government. Students who complete these courses through test or transfer work may fulfill the requirements through tests administered at the Center for Testing. Senior exit requirements vary by department. Contact your advisor or department office for information about the requirements for your program.
